Declaration

There might be some wrong words in here, you better look it up.

I certify that this dissertation which I now submit for examination for the award of MSc in Computing (Assistive Technology and Universal Design), is entirely my own work and has not been taken from the work of others save and to the extent that such work has been cited and acknowledged within the test of my work.

This dissertation was prepared according to the regulations for postgraduate study of the Dublin Institute of Technology and has not been submitted in whole or part for an award in any other Institute or University.

The work reported on in this dissertation conforms to the principles and requirements of the Institute's guidelines for ethics in research.
